| True                     |  |   |                 |       |   |                          |  |                          |                          |                          |                          |
| False                    |  |   |                 |       |   |                          |  |                          |                          |                          |                          |
| <input type="checkbox"/> |  |   |                 |       |   |                          |  |                          |                          |                          |                          |
| <input type="checkbox"/> |  |   |                 |       |   |                          |  |                          |                          |                          |                          |

Correct Answer is

1. Correct Ans option is Lenticular
2. Correct Ans option is To reduce loss of water
3. Correct Ans option is Root Hairs
4. Correct Answer is single
5. Correct Ans option is True
